TRANSMITTAL OF SUPPLEMENTAL CONTINUATION-IN-PART  
COMBINED DECLARATION FOR PATENT APPLICATION AND  
POWER OF ATTORNEY

Commissioner of Patents  
Washington, D.C. 20231

Dear Sir:

The above-identified patent application is a continuation-in-part of assignee's co-pending U.S. Serial No. 09/271,997, entitled "Multiple Satellite Mobile Communications Method and Apparatus for Hand-Held Terminals," filed on March 18, 1999. This is clearly stated on page 1 of the patent application.

The "Combined Declaration for Patent Application and Power of Attorney" filed earlier did not specifically claim benefit of Serial No. 09/271,997 under 35 USC §120. Therefore, a **"Supplemental Continuation-In-Part Combined Declaration for Patent Application and Power of Attorney"** signed by the inventors is enclosed herewith. This supplemental declaration is for a "Continuation-in-part application" and the inventors clearly claim the benefit of Serial No. 09/271,997 under 35 USC §120 and acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to the inventors to be material to the patentability as defined in Title 37, Code of Federal Regulations, 1.56 which became available between the filing date of the prior application and the national filing date of this application.

The Office is requested make this Supplemental Declaration of record and record this confirmation that the above-identified patent application is a continuation-in-part of assignee's copending patent application bearing U.S. Serial No. 09/271,997, entitled "Multiple Satellite Mobile Communications Method and Apparatus for Hand-Held Terminals," filed on March 18, 1999.

Applicant believes that no fee is required for the filing of this Supplemental Declaration. In the event, however, that a fee is required, the Office is hereby authorized to charge the necessary fee to Deposit Account No. 50-0383 of Hughes Electronics Corporation.

Respectfully submitted,  
KAR W. YUNG ET. AL
